Butter Cat and Breakfast

Objective & Instructions:

Get all the coins you can and survive without hitting any of the bread enemies
You will lose hp if you move out of the boundaries, how ever your butteriness
can keep you alive outside the reality pane with health less than usual.

You will lose coins if you hit toasts as they are greedy for your butter coins.

Controls:

- up left right down : to move
- space : to select
- hold x : boost the cat to move faster
- z when dead : to go back to menu

Cheats:

- i : invincibility
- d : instakill and lose the game
- p : pause game
